1 Top row: team names, date, division

2 Your lineup (jersey numbers)

3 Keep score here

4 What the little symbols mean

5 Subs & time-outs

6 Final score & referees

Step 2 - Scoring a match, step by step

Never scored volleyball before? Just follow these in order - it's easier than it looks.

BEFORE THE MATCH

1. Top line: write your team, then VS., then the other team. Fill in the Date and Place.
2. Circle your Division on the LEVEL line - 1, 2, or 3.
3. In each TEAM box, list your players by jersey number in the order they serve (rows I through VI). Put the Libero's number on the 'L____' line.
4. The team that serves first uses the FIRST SERVE side of the SCORE column.

KEEPING SCORE (during the match)

5. Every time YOUR team wins a point, cross off the next number in your SCORE column - 1, then 2, then 3, and so on. The other team does the same on their side.
6. A match is best of 5 sets - record each set as you go.

Example - how to keep score:

~~1~~ ~~2~~ ~~3~~ 4 5 6

Your team scored 3 points, so 1-2-3 are crossed off. The last number you crossed off is your score.

THE LITTLE SYMBOLS (Scoring Keys box)

- Circle = that player served.
- Number in a triangle = a point scored on that serve.
- R = rotate P = play-over RS = re-serve M = mind change circled X = a correction.

SUBS & TIME-OUTS

- Subs: cross off the number of the player coming in. S = serving team, Sx = receiving team.
- Time-outs: mark T (serving team) or Tx (receiving team) in the TIME-OUT box.

AFTER THE MATCH

- Circle each set's final score in the Set / POINTS area.
- Fill in the Winning Team and the Losing Team.
- Write the First Referee, Second Referee, and Scorekeeper names.
